## General Comment

Regarding docket identification (ID) number EPA-HQ-OPP-2016-0385 EPA-HQ-OPP-2016-0385

The safety of our children and family members should be the number one concern of every individual on this earth. If there is anything that harms or interferes with this it should and must be stopped at once - no matter the cost or profit. We can not accept toxic chemicals in our food or our environment! Please stop the use of glyphosates and the poisoning of our bodies.
